To Whom it May Concern

Gloria Cheng Ge Fang was employed by **Henderson Global Investors (Singapore) Ltd** from Dec 2005 to July 2015. She joined the company as a finance manager and was promoted to Head of Finance, Asia in 2011, reporting to both Managing Director, Asia and Head of Group Finance in London.

I have known Gloria for ten years during her tenure with Henderson. As Head of Finance, she was in charge of regional accounting functions and took overall responsibilities in financial, management and regulatory reporting, strategic planning, budgeting as well as internal controls and corporate governance in the region. She had good working experience with different regulatory bodies, auditors and tax authorities in the regional countries. As a senior management team member, Gloria was also actively involved in corporate development projects and contributed in various business initiatives during her work in Henderson.

Gloria was experienced in leading a finance team. She was also a hands-on manager who worked very diligently. Her pleasant personality and communication skills had allowed her to develop good working relationship with her colleagues and subordinates.

I'm happy to act as a reference for Gloria Cheng and I highly recommend her for employment. Please feel free to contact me should you require further information.

Yours faithfully
